

Foundation Preparatory Academy
Textbook List
2020 - 2021
Master List

Due to the University Model[®], parents need to be able to deliver instruction at home. Foundation Preparatory Academy chooses materials based on ease of parent use at home and uses these materials as the base of your child's instruction. Teachers will extend the curriculum by providing additional materials for use in the classroom and at home as well as hands on experiences. This will be material beyond what you are purchasing and will round out your child's educational experience.

Textbooks for Foundation Prep can be purchased at any book distributor. **ISBNs in bold are required.** If your student does not have the correct version of the book, he/she will have difficulty participating in class and will have trouble with assignments.

***All consumable workbooks need to be purchased new.**

This is a list of some of the distributors that the school has used to purchase books:

- Rainbow Resource
- Amazon.com **(If the book is not found, try removing the dash)**
- Barnes and Noble

- Textbookrush.com
- BJUpres.com
- Dover Classics
- iew.com (Institute for Excellence in Writing)
- www.evan-moor.com
